Dear Sir or Madam,

We would like you to consider as part of your companies community outreach to join us, other business leaders and the all the East Valley Mayors for the sixth annual East Valley Mayors' Prayer Breakfast. This year's breakfast is proudly hosted by the City of Apache Junction and will be held on Wednesday, March 15, 2017, at the Chandler-Gilbert Community College Coyote Center.

The East Valley Mayors' Prayer Breakfast is a unique opportunity to join together leaders from the public and private sectors, local businesses, faith groups, non-profits and other community organizations for a time of reflection, inspiration, and collaboration. This can be a reward to the community activists on your team or an outreach to local clients as part of your mission statement. At the breakfast, you will hear powerful stories detailing many of the great initiatives and partnerships taking place in our communities. In addition, faith leaders from across the East Valley will lead us in prayer as we celebrate ***"Surrounded by Legends of Faith and Leadership"***, a message and focus that underscore our commitment to serving others and building stronger communities and corporate citizens together.

We also include a powerful "table talk" segment to the program where leaders from multiple sectors can discuss important shared issues that affect your families and business. There will be a real time display highlighting common themes found through the collaboration. Computerized reports will be sent as follow-up opportunities; putting feet to faith.

We ask for your support of the East Valley Mayor's Prayer Breakfast and its commitment to serving better together by:
